Fairfield supports Pull Up Neighbor – Free Mask Giveaway

Fairfield, California (Friday, June 12, 2020)—Links2Hope has partnered with Pull Up Neighbor to provide reusable facemasks to Solano County community member to assist with protecting and preserving public health and prevent increased transmission of COVID-19.

Pull up Neighbor is a community-based emergency response initiative that takes masks and supplies to underserved neighborhoods and community organizations with a Grab and Go Model to ensure proper social distancing. PUN has had immense success in Compton and other underserved areas in southern California and across the country.

Links2Hope and PUN are collaborating with Solano Public Health to host free reusable mask giveaway events in Vallejo, Fairfield, and Dixon. The City of Fairfield has partnered with Solano Public Health to support the Fairfield Pull Up Neighbor – Free Mask Giveaway. The Fairfield event will take place on Saturday, June 20 from 10 a.m. to 12 noon at Mount Calvary Church located at 1735 Enterprise Drive, Bldg. 3 in Fairfield.

Attendees can drive or walk up to the location, and will receive a bag including a reusable/washable mask along with public health materials and resource information. Social distancing protocols will be strictly followed, and all volunteers will be equipped with proper personal protective equipment including gloves and face coverings.

For additional information, please contact Sullina Sanchez at (707) 428-7729 or visit [SolanoCounty.com/COVID-19](https://www.solanocounty.com/COVID-19).
